ASK PC Academy

ASK PC Academy is an Information Technology and Engineering firm dedicated to training, consulting and research. ASK PC delivers Information Technology training for both individuals and corporate in association with reputable international organizations. We at ASK PC are committed to enhance the knowledge and technical capabilities of IT professionals. The membership is a great addition for our students and alumni who hold ASK PC certificates and diploma.

Membership Grades

ASK PC offers two membership grades that are suitable for both fresh graduates and IT practitioners.

| Entry Level Grade	Practitioner Grade
Professional Member (**PMAP**)	Senior Member (**SMAP**)

Professional Membership (PMAP)

Professional Member of ASK PC or "PMAP" is the first grade which is suitable for all students who completed any of ASK PC certificate programs. All certificate holders will have **FREE** access to "Alumni" area to get additional benefits, discounts and logos. In order to get your professional membership, you must provide your certificate ID and valid email address. Once you access the members' area, you will have the opportunity to upgrade your Professional Membership to Senior Membership grade if you meet the requirements.

MEMBERSHIP ACCOUNT

Your membership account will be issued once you get your graduation package and will be sent to your email. If you didn't get the activation email, you can still contact us to activate your account.

You can login to your account using this link:
www.askpc.net/vac

Once you login to your account, you will be able to explore the membership benefits in details.

For all professional members, *there is no membership certificate or membership ID card*. It's an e-membership with additional benefits for all graduates and alumni who hold any of ASK PC certificates. Professional members may upgrade to Senior Member grade which requires more restrictive conditions.

Senior Membership (SMAP)

Senior Member of ASK PC or "SMAP" is the highest grade which is suitable for IT practitioners who completed "Diploma Tracks" or advanced courses in IT or Engineering. This grade offers special benefits for senior members such as discounts, membership certificate, ID, and recommendation letter. Senior Member status is designed to recognize ASK PC members who have achieved significant accomplishments within the field of IT. To be eligible for nomination for Senior Member, candidates must be consecutive members of ASK PC for at least 3 years or holds more than two certificates from ASK PC and have been active in the professional arena for at least 5 years.

SENIOR MEMBERSHIP REQUIREMENTS
